

NAUTIC COLLECTION

ELEMENTS

DESIGNED BY GERD COUCKHUYT

The backrests of the Elements collection are equipped with magnetic cushion holder strips to hold the cushions in place.
The magnets in the cushions are invisible and ensure a better fixation to the backrests in any position.
The (re)movable, adjustable backrests of Elements can be placed in two positions.

GLASS, TRESPA® AND SILESTONE® CLEANER & RESTORER

Is ideal for removing all kinds of stains.
Together with the included cloth and thanks to the light sand structure of the cleaner,
the quartz composite top layer is easy to clean without leaving scratches.
