Brushed electro-polished stainless steel frame.
Natural finish slatted teak table top.
Self-storing butterfly extension system.
Without parasol hole.
Seats 8-12

BUTTERFLY EXTENSION SYSTEM

Bespoke, hand-made hinges, smooth running nylon guides and tough stainless steel fittings are combined to produce a practical and simple to use table extension system. Easy to operate by one person, the extension leaf simply stores folded under the table top when not in use and can be quickly lifted up in one quick, clean action to provide extra table top area and seating capacity when required.
