COLLECTION AIR

Air is een zonnige nieuwkomer in het segment. De aantrekkelijke loungecollectie met dikke, comfortabele kussens nodigt uit voor een gezellig samenzijn en is een echte blikvanger op het terras of in huis. De collectie past zich probleemloos aan iedere stijl aan: de versie in gepoederlakt roestvrij staal en een bovenblad in exotisch Iroko hout zorgt voor een warme charme en brengt de jaren '70 weer helemaal terug. De optie met een bovenblad in aluminium creëert een hedendaagse en strakke stijl. Air verleidt iedereen en verheft elk moment tot een outdoorfeest.

Air apporte un rayon de soleil sur le marché. La collection lounge attrayante composée de gros coussins confortables invite à passer un agréable moment ensemble et attire tous les regards sur une terrasse ou dans une pièce. La collection cadre sans problème avec tous les styles : le modèle doté d'un plateau en bois exotique d'Iroko ou en aluminium thermolaqué rappelle le charme chaleureux des années '70. La version avec plateau supérieur en aluminium crée, quant à elle, un style rigide et contemporain. Air séduit tout un chacun et fait de chaque moment une fête à l'extérieur.
