Monterey

The Monterey collection is Barlow Tyrie's interpretation of mid-century modern design, and is a truly impressive set of furniture. It is built using the highest quality teak and 'high-fired' Italian ceramic together with refined traditional construction methods.

The award-winning, sculptured armchair uses solid teak for the frame with braided all-weather cord for the seat and back, combining to create a stunning piece of furniture. The cord is woven from Olefin (a key feature is its light fastness) and Textilene®, making it rugged but with a soft feel.

Monterey tables feature an easy to clean Italian ceramic table top whose glossy variations add depth and texture. These dining tables are extremely stable and available in three sizes, seating from four to ten comfortably. A matching coffee table and side table are also available.

Please see page 241 for Barlow Tyrie care products and page 220 for cushion colours.

Monterey features:

- Over two hundred feet of Textilene® cord is used for the dining armchair seat and backrest
- Interpretation of mid-century modern design
- Solid teak sculpted legs and undercarriage powder-coat tubular aluminium cross frame giving the table extreme stability
- Italian ceramic table tops are 'high-fired' at temperatures exceeding 2200°F/1204°C, making them 'rock-hard' and extremely resilient, creating a beautiful enduring finish
- Cushions are available separately – Armchair cushion (800096 for 1MTDA), Ottoman cushion (800095 for 1MTDO) and for the three-seater Settee deep seating cushion (800097 for 1MTD3). Loose scatter cushions are also available separately
